### Care Instructions

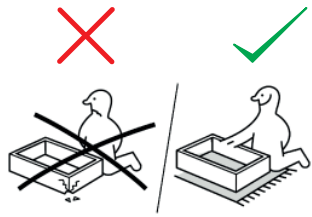

We advise dusting your loveseat regularly with a clean, dry cloth to maintain its condition.  
In the event of any spills, wipe surfaces immediately with a damp cloth and then rub down with a clean dry cloth.  
Never use abrasive or corrosive cleaning agents on any area of your loveseat.  
Do not drag your furniture; always lift your loveseat to move it.  
We recommend storing your loveseat inside or undercover to preserve its condition during the winter months.  
We recommend that a base is needed to support a parasol, if used.
